

## Mercury Qtp 9.2 Trial Version Free Download

The screenshot shows the Hewlett Packard Enterprise website. The top navigation bar includes 'Solutions', 'Services', 'Products', 'About Us', and 'Support'. Below this is a secondary navigation bar with categories: 'Software Home', 'Security', 'Big Data Software', 'Backup & Governance', 'Operations Management', 'Application Delivery', and 'Services & Support'. The main content area features a section for 'Unified Functional Testing (UFT)'. The text reads: 'Make automated testing more efficient and help developers and testers collaborate. This functional automated testing software—formerly QuickTest Professional (QTP)—helps deliver quality software at the speed your business needs.' Below this is a photograph of a person working at a computer. To the right of the photo, the text says 'Automate Your Testing with UFT Software' and describes the software's benefits. A small PDF icon and the text '(PDF 289 KB)' are visible. A 'Download the Data Sheet' button is located at the bottom right of the content area.
